Design and implement the following android app:

Main Activity contain:

- Spinner
- 2 Radio button
- List View
- Grid View
- Button

A screenshot of an Android application interface. At the top, there is a purple header bar with the text "Ass#2". Below the header, the form is divided into sections. The first section is labeled "Birth Date :" and contains a "Day :" label followed by a spinner showing the number "1". To the right of this is a "Gender :" label with two radio buttons labeled "Male" and "Female". Below the "Day" spinner is a "Month :" label followed by a list view showing "jan" and "Feb". Below the "Month" list is a "Year :" label followed by a list view showing "1995" and "1996". At the bottom of the form is a purple button with the text "COMPLETE INFORMATION". The status bar at the top of the screen shows the time as 4:38 and various icons.

You should select your birth date from spinner → Day, list view → Month, grid view → Year and your gender from radio button:

A screenshot of a mobile application interface. At the top, a purple header bar contains the text 'Ass#2'. Below the header, the form is titled 'Birth Date :'. It includes a 'Day :' spinner set to '5', a 'Month :' list view showing 'March', 'April', and 'May' (with 'April' selected), and a 'Year :' grid view showing '2002'. To the right of the day and month fields is a 'Gender :' section with two radio buttons: 'Male' (unselected) and 'Female' (selected). At the bottom of the form is a purple button labeled 'COMPLETE INFORMATION'.

When you have clicked on Complete Information a Toast will appear with your info.

A screenshot of the same mobile application interface as before, but with a confirmation toast message displayed at the bottom. The toast is a light gray rounded rectangle with a green checkmark icon and the text 'your Gender Is Female and your Birth Date 5/April/2002'. The 'COMPLETE INFORMATION' button remains visible below the toast.
